SALISBURY/SHARON TRANSFER STATION

410 Millerton Road, Lakeville, CT 06039

Curtis G. Rand
First Selectman, Salisbury

Brent Colley
First Selectman, Sharon

P.O. Box 548
Salisbury, CT 06068-0548

User's Guide to the *NEW* Salisbury/Sharon Transfer Station

On behalf of the Boards of Selectmen, the Building Committee, the Transfer Station Recycling Advisory Committee, and Staff:

Welcome to the *NEW* Salisbury/Sharon Transfer Station!

What's changing at the new SSTS?

Upon entering the new station, you will see the gate attendant. The gate attendant will be collecting recycling/disposal fees before you dump. See the last page for the new price list.

The recycling and disposal areas are now **color coded**. When you tell the gate attendant what material you wish to dispose, you will be directed to an area. Example: For your recycling go to the *Single Stream Recycling Hopper* located in the blue area; for your scrap metal, go to the open *Scrap Metal* container in the yellow area. See "What Goes Where" & transfer station map inside of this handout.

Shopping carts or wagons are available for transporting recycling and garbage from your vehicle to the Single Stream Recycling and Garbage Hoppers.

**BLUE AREA:
RECYCLING & GARBAGE HOPPERS**

**GRAY AREA:
MAIN OFFICE & SWAP SHOP**

**YELLOW AREA:
OPEN-TOP BOXES FOR C&D, SCRAP METAL, LEAVES &
CHRISTMAS TREES. Fees may apply.**

**RED AREA:
ITEMS REQUIRING SPECIAL HANDLING FOR
REUSE OR REPURPOSING. Fees may apply.**

What's new with garbage and recycling?

Much of the sorting of garbage and recycling remains the same; here are a few changes:

- Empty pizza boxes should be recycled
- Black plastics are no longer recyclable. Please dispose in the garbage.
- Visit www.CTRecycles.com to use the Search Widget and learn if an item can be recycled in the Single Stream Recycling hopper.
- Leaves must be bagged in brown kraft paper bags. No loose leaves accepted.

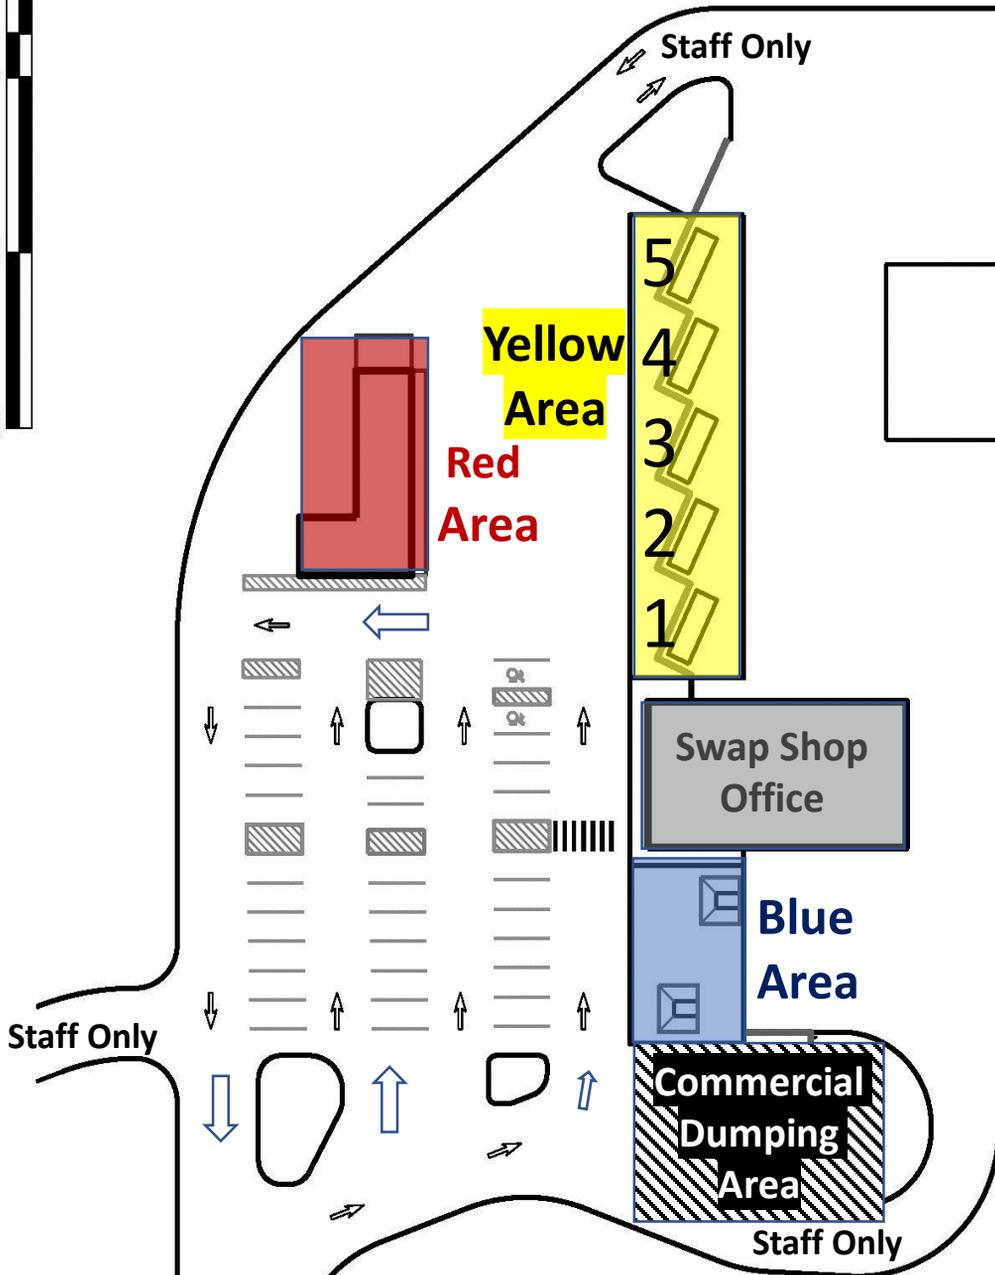

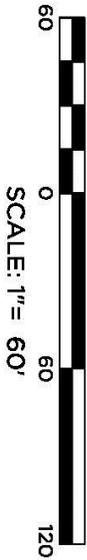

WHAT GOES WHERE AT THE NEW SALISBURY/SHARON TRANSFER STATION?
